Subject: July 28 conference call

Hi all,

I have requested a conference call line from EPA Headquarters for Tuesday, July 28 from 1-3pm EST for us to discuss plans for the upcoming perchlorate stakeholder forums. I should have confirmation of the availability of the line and the call-in information to send to you by Monday morning. I realize that this time may not work for everyone, so if you are not able to be on the call, I will catch up to you after Tuesday. Please try to share lines as a couple of people from the Arizona DEQ and Intertribal Council of Arizona may join the call, and I am reserving 15 lines.

I will be out of the office on Friday, July 24, but if you have any questions, you may leave me a voicemail message at 415/744-2182.

Thank you and have a good weekend.

Catherine
